SUMMARY

BE Computer Science Engineering student with strong skills in design, programming, communication and problem-solving. Experienced through internship and academic projects in software development and teamwork. Motivated to contribute to innovative projects and develop expertise in modern technologies.

SKILLS

Languages: Java, HTML, CSS

Web: React.js, Node.js

Tools: IntelliJ IDEA, VS Code, Git/GitHub

Additional Skills: Time Management, Communication skills, Customer Service skill, Problem Solving

PROJECTS

Gnan-Mart — E-Commerce Web Application | React.js, Node.js | 2026

- Designed and developed a full-stack e-commerce platform using React.js and Node.js, creating a unified digital system that connects campus departments such as the library and canteen.
- Built secure user authentication and login management to safeguard user data and control access across the platform.

INTERNSHIP EXPERIENCE

Software Development Intern — Softronics | 1 Month

- Completed an intensive one-month software development training program focused on full-stack web development principles.
- Gained practical experience in front-end and back-end development, applying professional software development practices.
- Built and executed sample applications covering front-end interfaces and back-end logic to reinforce full-stack concepts.

Web Development Intern — Infinity Space | 1 Month

- Completed a one-month web development training program covering foundational web technologies and workflows.
- Developed core knowledge of web development concepts, strengthening the foundation for full-stack project work.

EDUCATION

Bachelor of Engineering (BE) — Computer Science and Engineering

Gnanamani College of Technology (Anna University) | 2022 – 2026

Class XII — KSPE

GHSS Thariode, Thariode | 2020 – 2022

Class X — CBSE

MCF Public School, Kalpetta | 2010 – 2020

LANGUAGES

English: Professional Proficiency | **Malayalam:** Native | **Hindi:** Working Proficiency | Tamil: Conversational
